RE: CALIFORNIA PROPOSITION 65, OFFICIALLY KNOWN AS THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986

Dear Sir / Madam,

Proposition 65, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986, was enacted as a ballot initiative in November 1986. The proposition requires businesses to inform Californians about exposures to chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

Many alloys we produce contain nickel which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov. Wash hands after handling.

A few alloys we produce may contain Lead which is known to the State of California to cause cancer, birth defects, and other reproductive harm. For more information, go to www.P65Warnings.ca.gov. Wash hands after handling.

Best Regards,

Jordan Kilbey
